Q: How do I figure out what size tent I need?

A: We recommend 20 square feet per person if you are planning on everyone seated, buffet, bar and dancing. (Example: 200 guests x 20 sq ft = 4000 sq ft = 40 x 100 tent) If you are not having a dance floor we recommend 15 square feet per person. (Example: 200 guests x 15 sq ft = 3000 sq ft = 40 x 80 tent).

For a ceremony we recommend 10 square feet per person. We have provided charts under all of our tent categories on this website to help you select what's best for your event.

Q: When do I need to finalize my order?

A: Final adjustments are required 10 days prior to your event based on your R.S.V.P's. Should you need to make adjustments after the confirmation date, we will accommodate increases to the order based on availability. Mahaiwe Tent will determine delivery and pick up dates. All jobs will be delivered at minimum, 1 day prior to the event, unless other arrangements are made. Delivery and pick up times are subject to change and may be several days prior to or after your event. It is recommended that you inventory your rentals upon delivery. Please call immediately if you have any questions or problems with your order: 413-528-5945.

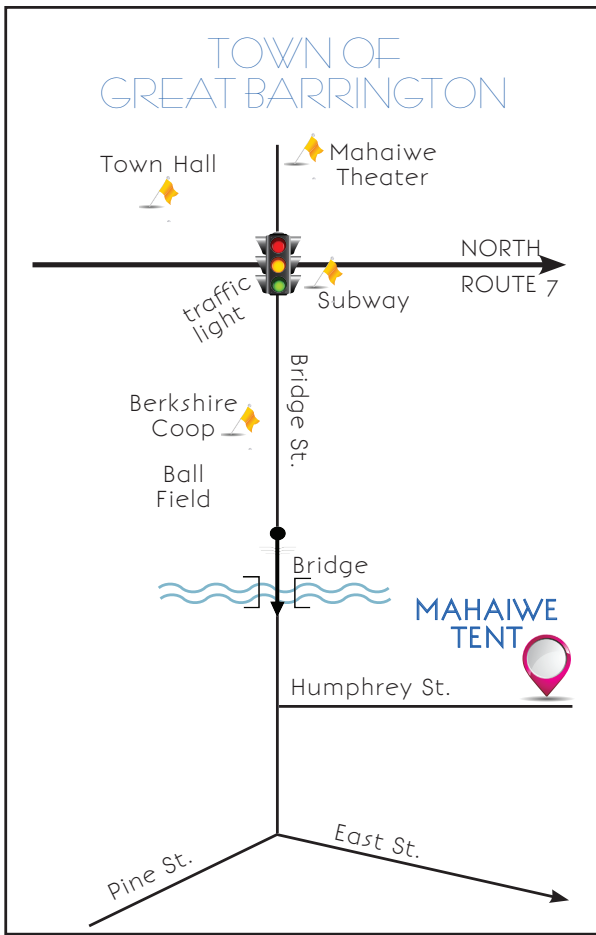

Q: How do I need to return the rentals?

A: Due to sanitary regulations, rentals must be rinsed and re-created in their proper crates/racks and left in the same location as delivered. To avoid additional charges, rentals must be kept dry and protected while in your possession. All items must be ready for pick up by Monday 8 AM to avoid extra labor charges. Pick up for weekend events are made on Mondays or Tuesdays (not pre-determined) unless other arrangements are made in advance. There are no refunds for unused rentals.

Q: How do I prepare for delivery?

A: Prior to delivery, please make arrangements with us to ensure our crew has accessibility to the appropriate entry levels (garages, gates, etc.). Please make sure that the tent site has been mowed and cleared of any lawn furniture etc. Mahaiwe Tent is not responsible for the set up or breakdown of your rentals, or moving any furniture that belongs to the client. Tents will be installed and remain in the mutually agreed upon location between both Mahaiwe Tent and the client prior to installation.
